Dear Representative Luebke:

Re: Aero Contractors and the Global TransPark

We are in receipt of your recent letter requesting an investigation of the actions of Aero Contractors, a user of the Global TransPark. After a careful review of your letter, the attachments thereto and the appropriate North Carolina General Statutes, I must report that the State Bureau of Investigation cannot act upon your request due to a lack of jurisdiction in this matter.

I have contacted my counterparts at the Federal Bureau of Investigation and shared your letter and attachments with them. If there is anything else we can do please feel free to call on us. Thank you for the work you do on behalf of North Carolina and its people.

With warm regards, I am

Very truly yours,

Robin Pendergraft, Director
State Bureau of Investigation
